Lake Co. Fair Ready to Open Here Tomorrow

Tents Go up and Exhibits
Are Being Brought in
Today

Tents were up today on the fair grounds, back of Antioch Township High school, electricians and carpenters were busy, and entries were arriving by the truck load for the annual Lake County fair, which opens Friday for three gala days.

Some of the refreshment stands were already doing business today as hungry or thirsty workers edged over to the booths run by the Home Bureau and the IFA for ice cream, pop, and more substantial "snacks."

Many livestock and poultry entries had already been received by noon today, and the bulk of them were expected to arrive during the afternoon and evening.

As in other years, the 4-H exhibits will occupy a prominent place. Many of these are fine enough to make veteran showmen look to their laurels.

A spectacular horse show will be staged Friday evening at 8 o'clock, daylight saving time, with another one Saturday evening at the same time. The horse show finale will take place Sunday afternoon at 3 o'clock, daylight saving time.

Many Judging Contests
Judging contests will include dairy cattle judging Friday morning at 8 o'clock; fat stock judging Saturday at 8 a. m., and poultry judging Saturday afternoon at 3 o'clock, daylight saving time.

In the Boys' 4-H club division, the judging in dairy classes will begin Friday, at 1 p. m.; judging in beef classes will be held Saturday morning, as will also judging in sheep classes and swine. The judging of poultry will start at 9 a. m. daylight saving time, Friday.

The Boys' 4-H division will also include an electrical exhibit, a corn, potato and grain judging show, a forestry exhibit and a boys' 4-H club record exhibit.

The Girls' 4-H division will include exhibits of clothing made by the girls, food exhibits, room improvement exhibits and winter-project exhibits.

Special entertainment features, including aerial acts, are also included in the program for the fair.

Great Lakes-Glenview Bill Sponsored by Paddock Becomes Law

Waiting only for presidential signature before becoming law, the Navy's authorization bill H. R. 5312, carrying \$5,595,000 for Great Lakes Naval Training Station and \$120,000 for Glenview's Naval Reserve Air Base, passed the Senate late Thursday. On it heels was H. R. 4512, First National Defense Supplemental Appropriation Bill for 1942, which appropriated the funds for the navy public works just approved.

Both bills were held over for conference between the House and Senate over minor amendments, but both were released Friday afternoon, officially enacted by Congress. There were no amendments to either the Great Lakes or the Glenview proposals.

The \$5,595,000 for Great Lakes will add barracks and officers' quarters in a program of expansion for an expected increase of 2,000 men. The air base appropriation is not detailed.

Antioch News Enters Its Fifty-fifth Year

With last week's issue, the Antioch News, founded in 1886, entered upon its fifty-fifth year.

Founded by J. J. Burke, an able and witty newspaperman of the "golden era of journalism," in the late 1880's that saw many noted writers emerge from this profession, the Antioch News has long been considered a leader among county weeklies.

Its contents have been quoted in Congress at Washington, D. C., and have also occasionally been quoted by leading publications in large metropolitan centers.

During the past 16 years the paper has been published by H. B. Gaston.

Aces Win and Lose In Double Header

After winning 5 to 3 over the fast Wilmot team in the first half of a double header at Fox River park Sunday afternoon, the Aces lost 5 to 7 to the Kenosha Sons of Legion team. Errors in the final inning accounted for the loss of the game, which the locals had all but won, 4 to 5, until the ninth inning, when the Legion team, chased three runners across the plate.

Mrs. Wedeen Succumbs to Heart Ailment

Funeral to be Held in Chicago Friday; Burial at Forest Home

The body of Mrs. Lillian Croft Wedeen lay in state in the Strang Funeral home until today, when it was taken to Chicago. Final rites will be held Friday from the Lane Funeral home on Ashland avenue, with burial in Forest Home cemetery.

Mrs. Wedeen had been suffering from a heart ailment for the past three years, but her death Tuesday morning at 6 o'clock was a distinct shock to the many friends she had made during the 20 years that she has been a resident of the Antioch community.

Members of the Antioch rescue squad were summoned to the Wedeen resort on Lake Marie with their inhalator apparatus when Mrs. Wedeen was stricken Monday evening and "stood by" during the night to aid the attempts of physicians to rally her strength.

Supplies of oxygen procured from the Kenosha fire department were rushed here to supplement the local supply.

Despite all attempts to aid her, however, Mrs. Wedeen's strength gradually failed and she passed away early in the morning.

One of her last requests was that the members of the rescue squad act as her pallbearers, and this request will be acceded to, the squad members state.

Mrs. Wedeen is survived by her husband, Andrew, and by a sister, Mrs. Edna Kane of Chicago.

She was born in Chicago Dec. 4, 1890. She and her husband operated Wedeen's resort on Grass Lake for 17 years. Three years ago they moved to Lake Marie, where they took over the former Wurz'n Sopps resort.

McMillen, Singh Headline Mat Card at Grayslake Friday

Jim McMillen and Nanjo Singh will headline this week's mat show at Peg's Grayslake arena, Friday night, August 22, with the three remaining bouts as potential windups in their own right. Although both of these stars were beaten by Senor Martinez, Spanish heavyweight, it was due to their insistence for a return bout with the fellow, that the promoters decided to let Singh and Big Jim battle it out for the return engagement. This program has met with the approval of the fans who are looking forward to a hectic struggle, and one they have been asking for since the riotous Hindu first showed his turban through the ropes at the popular Grayslake sports center.

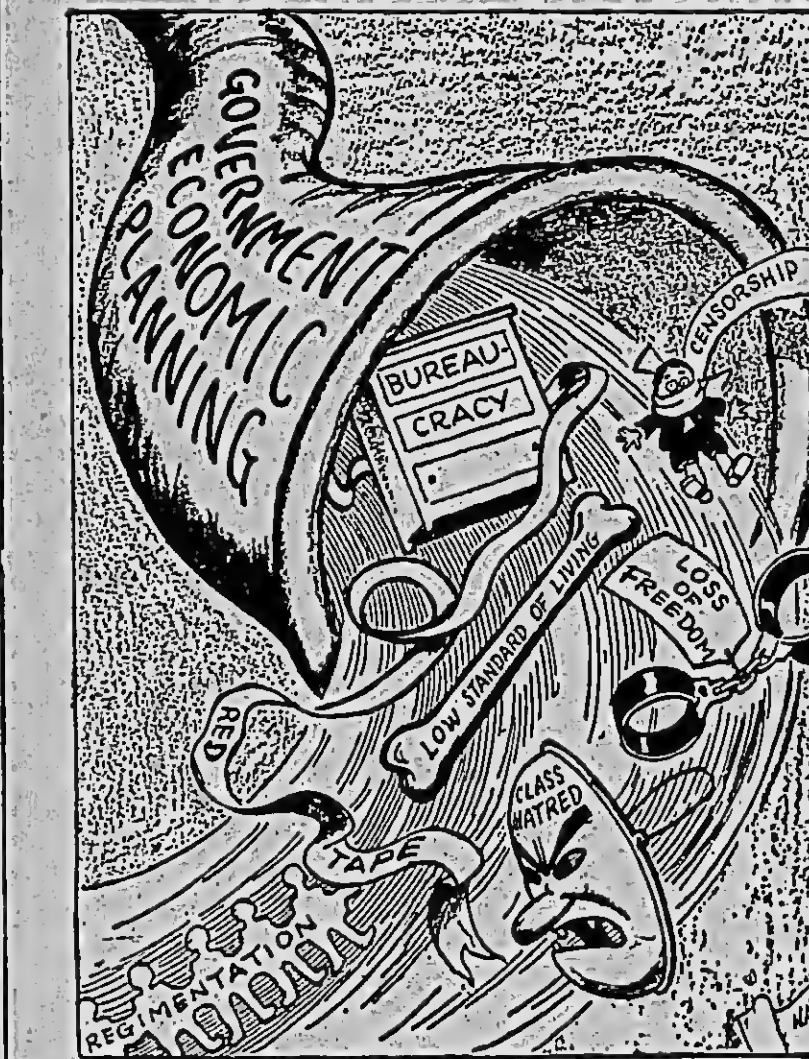

A stellar supporting card has been arranged featuring Friedrich von Schacht against one of the biggest athletes ever seen in these parts, Hippo Wiggins. He may be best described by some of the Hollywood adjectives, but even such simple words as colossal, stupendous, gigantic fail to describe the huge mass of four hundred pounds of living flesh. Hippo who hails from Lubbock, Texas, has tremendous proportions with a gargantuan chest that measures 55 inches and stands 6 feet, 4 inches in his stockinged feet. He insists that for a twenty year old he has grown to pretty fair size and he is looking forward with expectation to the full size of the Wiggins clan down in Texas.

Michele Leone, who was held to a draw last week by Von Schacht, will take on the Yugo-Slav heavyweight, Nick Blitch in one of the thirty minute matches, and Gerald Lauth, Naperville cattle dealer, who appears to be tougher than the fans expected will take on Jack Claybourn, in the other prelim. Lauth, who has delivered several oratorical outbursts from the ring, challenging both man and beast, bulldogged Pete Schuh into submission last week, then grabbed the mike long enough to hurl challenges at McMillen and Silverstein. If he can get by Claybourn he will be deserving of consideration.

KUTIL BACK FROM ROCHESTER CLINIC

C. L. Kutil, director of vocational agriculture at Antioch Township High school, returned Sunday from the Mayo clinic and St. Mary's hospital at Rochester, Minn., where he had been since undergoing a major operation on August 1. He is able to be up about the house and to receive visitors. "Feeling fine," he told friends last night.

ISM HORN OF PLENTY

Huge Crowd to Attend Rescue Squad Dance Here Tuesday Night

Kenny McCord's Orchestra
to Play; Proceeds to Buy
New Equipment

Advance ticket sales for the dance to be given next Tuesday night at the Roller Rink for the benefit of the Antioch Rescue Squad indicates that a large crowd will be present to dance to the music of Kenny McCord's orchestra, and to show their good will toward the local life-saving crew which is rendering an important service to the community. The entire proceeds from the dance will be used to purchase additional equipment.

The committee for the event, chair-manned by Cleve Vos today reported that all arrangements for the event have been completed and that ticket sales thus far had exceeded all expectations.

Organized two years ago, the Antioch Rescue squad today is recognized as one of the outstanding life saving crews in northern Illinois. First came the truck purchased by funds raised in the community, which was later equipped with two-way radio, a trailer, boat and motor, the latter a gift from Jim McMillen as was also the radio equipment. Ten men comprise the list of charter members: Capt. L. D. Powles, now serving in the army; Herman Holbeck, who was elevated to acting captaincy during Powles' absence; Herman Rosing, first lt. W. L. Scott, 2nd lt. John L. Moran, Richard Allner, James McMillen, Elmer Peterson, Howard Strang, and Clarence Shultis. All the charter members were chosen from the Antioch Volunteer Fire department and all have completed courses in first aid and rescue work. All serve without pay.

A resolution adopted recently by the squad would amend the by-laws to permit an increase in membership and would extend the privilege of membership to non-members of the fire department, provided they could qualify otherwise.

Antioch 4-H Club Softball Team Wins County Championship

The Antioch 4-H softball team defeated the Lake Zurich 4-H team by a score of 21 to 4 Tuesday night, on the Grayslake baseball diamond, to take over undisputed possession of the Lake County 4-H softball championship.

The holding of the county championship now entitles the Antioch team to be the 4-H softball team to represent Lake county in the annual Illinois State Sports festival to be held at Champaign, Ill., Aug. 28-29.

Here, the county champions from nearly every county in the state will gather to make a try for the Illinois State 4-H Softball championship. Having managed the Antioch team through the entire season, Ed Dunford has now been selected to manage the Lake county team when it will make its bid for the Illinois State championship at Champaign.

Two straw stacks on the James H. McFarland farm near Hickory burned Monday afternoon when the exhaust from a truck that back-fired set them ablaze.

Many Antioch establishments are also inviting the public to inspect their fine resources for service to homes and farm.

Among those extending their invitations through this week's issue of the Antioch News is Pickard, Inc., the well known china manufacturing company, which is opening its newly enlarged plant on Corona avenue to visitors from the public.

"Value Days" Sponsors

Others joining in welcoming the attendance of the public on "Antioch Value Days" are the MariAnne Dress shop, Williams' department store, King's drug store, the Style shop, the Antioch Lumber and Coal company, the Sheehan farm implement store, the Antioch 5 and 10 cent store, Darnaby's shoe store, Otto S. LOCAL FUTURE FARMERS WIN \$115 IN PREMIUMS AT ELGIN AG. FAIR

Fourteen Future Farmers of the Agricultural department of Antioch High school exhibited 30 entries in the F. F. A. and open classes of the Elgin Agricultural fair to win a total of \$115 in cash premiums.

In the school exhibit of five animals shown by at least 3 boys, the local school won a huge banner as a reward for placing first in the sheep division. The three local boys showing sheep were Lloyd Drom, Albert Smith and Elmer Hartnell. The eight head of sheep shown by Antioch exhibitors were all of Shropshire breeding.

Lloyd Drom also showed two Jersey cattle receiving an excellent rating one one and a "good" on the other.

Another Antioch lad to receive an "excellent" rating was James Jones who displayed a fine garden exhibit.

Others who showed were as follows: Wayne Drom, Holstein cattle and Chester White swine; Gerald Maars, Holstein calf; Richard Hartnell, Brown Swiss cattle; Elmer Hartnell, Brown Swiss calf and fat wether; Chas. Larson, Holstein calf; William Yucus, Shorthorn steer; Milton Smith, Guernsey calf; Albert Smith, Shropshire sheep; Lloyd Miller, Brown Swiss cattle; Ted Carlson, Hereford steer; Robert Severson, Wm. Drom, garden exhibits.

Local winners in the open classes were Wm. Yucus, Lloyd Miller, Richard Hartnell and Elmer Hartnell. Yucus received second on his Shorthorn steer, while Miller and the two Hartnells won three second place awards and two second place ribbons in the Brown Swiss division.

In the absence of C. L. Kutil, who was at the Mayo Clinic, Homer White, Richard Hartnell and Lloyd Drom assumed charge of the Antioch exhibit at Elgin.

Let Us Rejoice

WHEN we see the joy of children spontaneously and continuously manifested, and their assurance of the love of their parents, it might well inspire in us a greater confidence in the Father, God, who ever blesses all. That man stand in need of a fuller, more permanent joy is plain. Those who consider the subject of little importance would do well not only to remember how essential joy is to true living, but to recall how highly the Apostle Paul valued it when in his list of spiritual fruits, he placed it next to love.

The fundamental nature of joy can best be understood when it is discerned how all good is possible of attainment through the spiritual understanding of man's true being as the son of God. If God is All and man is created in His image and likeness — as is so clearly stated in the first chapter of Genesis — the possibilities of good in such a relationship must indeed be limitless. Here, then, is the scientific call to a joy far beyond what materiality could provide.

Many Bible characters have experienced great joy as the result of their understanding of God; but no one has so fully demonstrated joy to be the inevitable result of the understanding of man's unity with God as has Christ Jesus, the Way-shower. When he told his hearers (John 10: 30), "I and my Father are one," he proved what he said by casting out every form of error. He also made it clear that those who understood his teaching would do even greater works than he was doing. True joy, then, is a spiritual quality arising from the fundamental fact of man's oneness with his Father, God, and it can never spring from the illusory pleasures of matter, mood, or caprice.

When the prophet Isaiah spoke of the manifestation of the Christ-idea, he sought to make it clear that joy was one of its notable characteristics. He wrote (Isaiah 61: 3), "The Spirit of the Lord God is upon me; . . . to appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the Lord, that

he might be glorified;" while in "Science and Health with Key to the Scriptures" Mary Baker Eddy has written a correlative passage which reads (p. 304): "Harmony is produced by its Principle, is controlled by it and abides with it. Divine Principle is the life of man. Man's happiness is not, therefore, at the disposal of physical sense. Truth is not contaminated by error. Harmony in man is as beautiful as in music, and discord is unnatural, unreal."

One's understanding of the allness of God as the source of true, that is, of spiritual joy, is strengthened by a statement of the Way-shower's, which brings steadfastness and peace. He comforted his followers with the assurance (John 10: 22), "Your joy no man taketh from you."

To lack joy is to be deprived of the logical outcome of spiritual understanding. Consistently to recognize the things for which we can be grateful is to cultivate joy and to enhance its loveliness. Let us then cheer our own experience, as well as the world about us, by the expression of more gratitude.

In the universe of God's creating, where the spiritual man forever dwells, there is no hectic rushing hither and thither to seek joy. Joy is a spiritual attribute which all may express here and now in the simple kindnesses of the daily routine. Thus we see how true it is that while good brings joy, joy also brings more good.

"Rejoice evermore. . . . In every thing give thanks" (1 Thessalonians 5: 16, 18). Not only with our lips, but in our lives should joy and gratitude be expressed, and this will result in untold blessings.

CLOSE OF VOLUME SEVEN

With the present issue the News closes the seventh year of its publication and has now, so to speak, reached the age of reason. Originally established as an independent paper, for reasons that must be obvious to anyone who loves his country better than party. We have seen fit to support the Republican ticket, both state and national, believing it to be the best interest of the people, especially the toiling multitudes, to do so.

We have never as yet felt called upon to make any apology for any of our acts as publishers and have no excuse to make or apology to offer. We will, in the future, as in the past, strive to make each edition of the News better than the preceding one, and solicit the co-operation of every one who believes that a newspaper should voice public sentiment and labor for the best interests of the people. Thanking our patrons for loyal patronage in the past, we solicit the same generous
